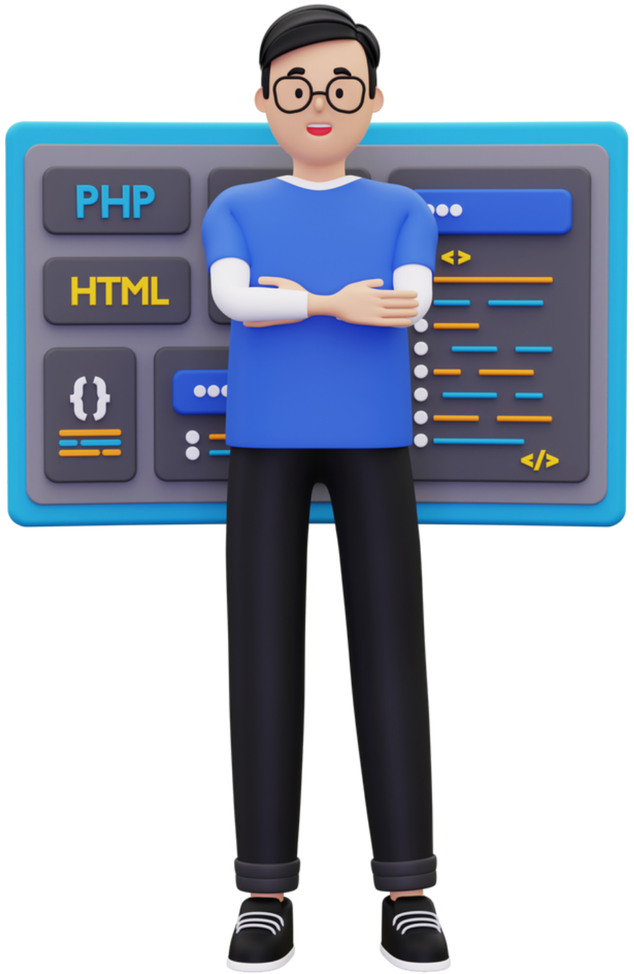
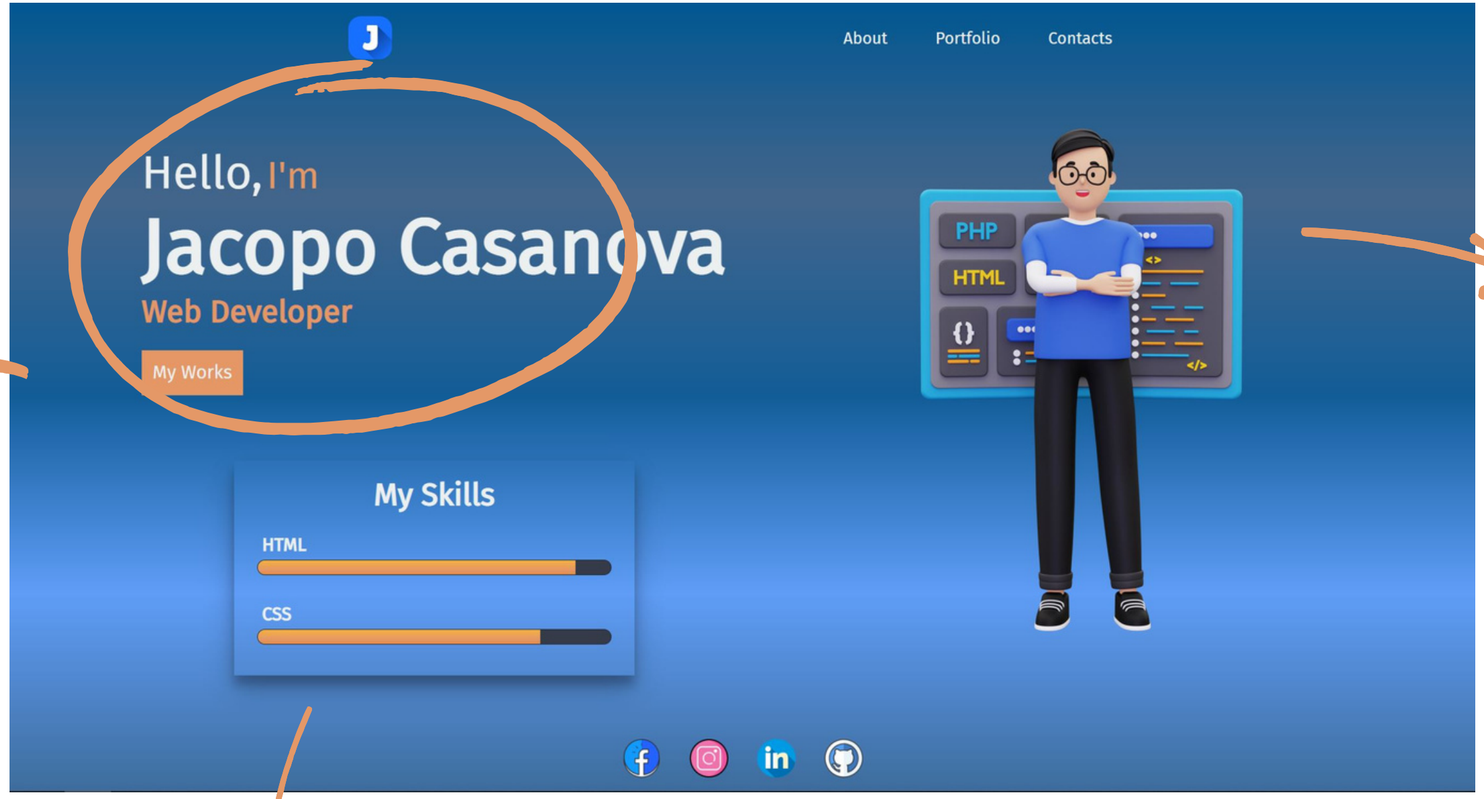
My WebSite



HOME

- A little logo
- A practice navbar



A 3D image

- I liked this style for my website
- I'd like to create some personal 3D images with AI to decorate my future portfolio website

Most important info

- To allow visitors to instantly have the most important info about me

A little dashboard with my skills illustrated

- A practice footer with some links to my social pages

ABOUT

Other info about me

- my skills and my passions

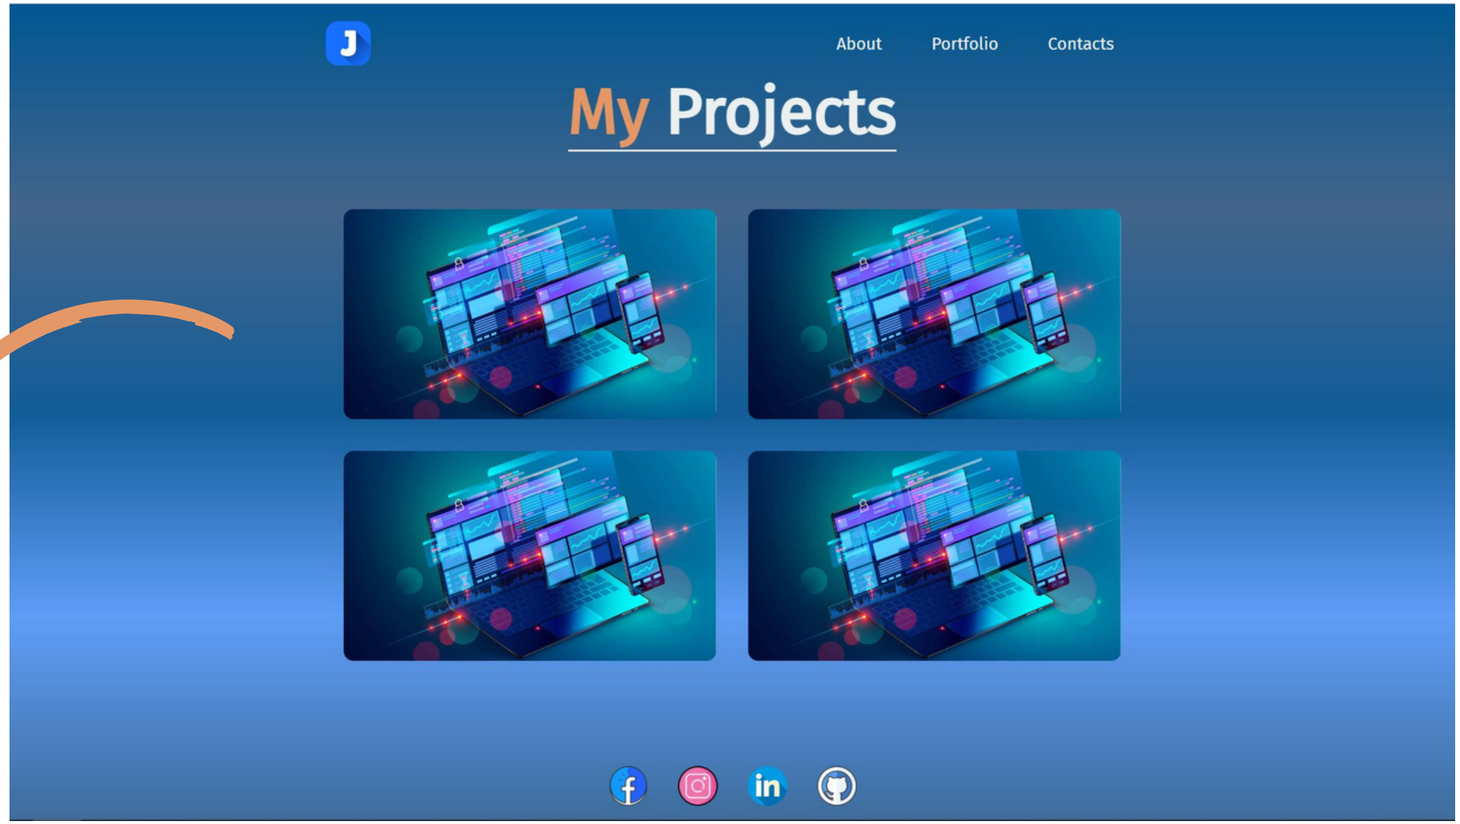
A 3D image

- it mantains the same 3D illustrated style

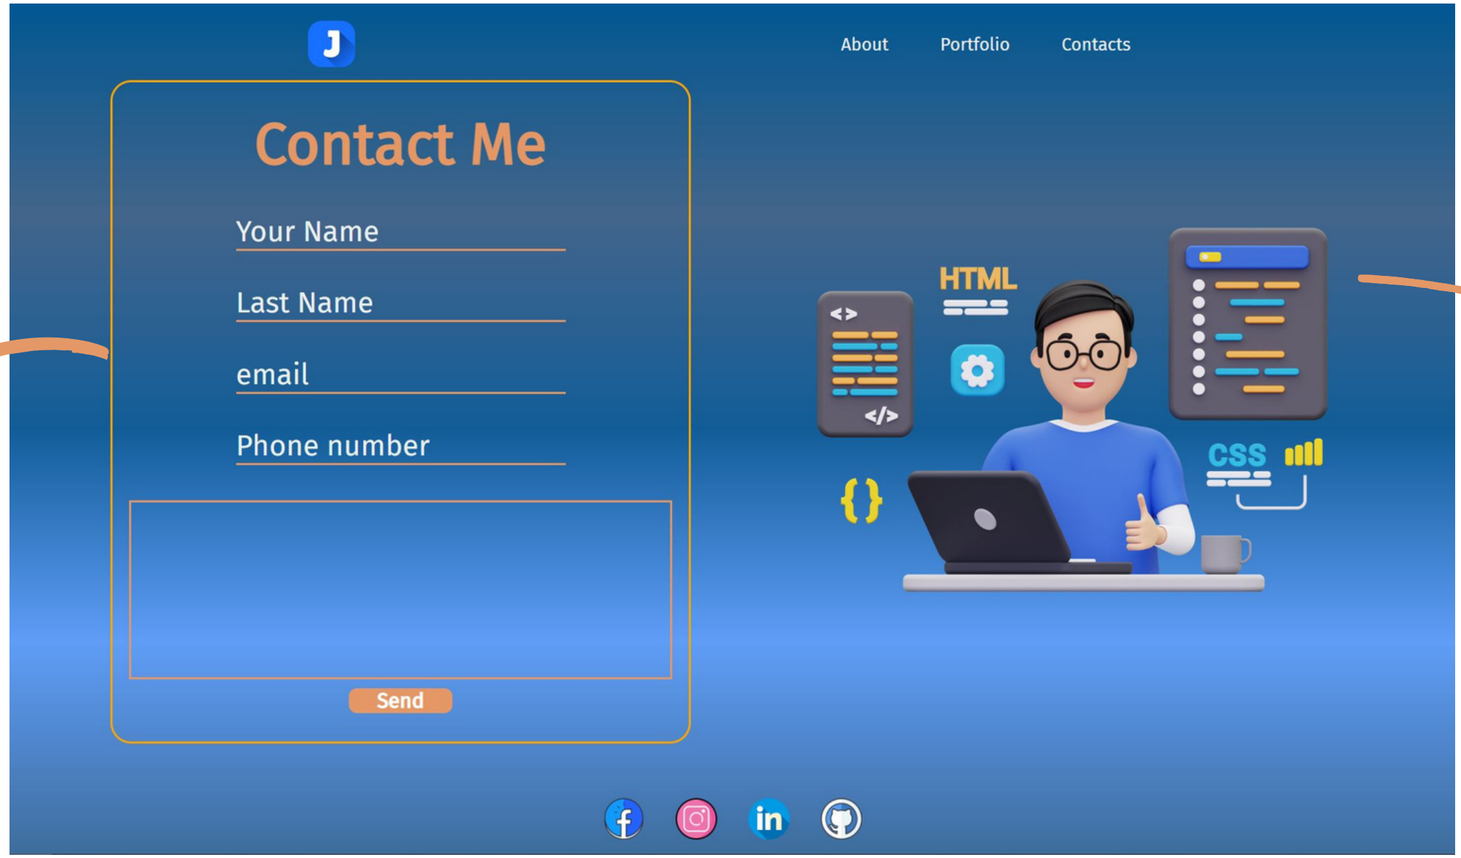
PORTFOLIO

My projects

- with temporary images



CONTACTS



A practice form

- It allows users to contact me easily

A 3D image

- it mantains the same 3D illustrated style
