

# My WebSite

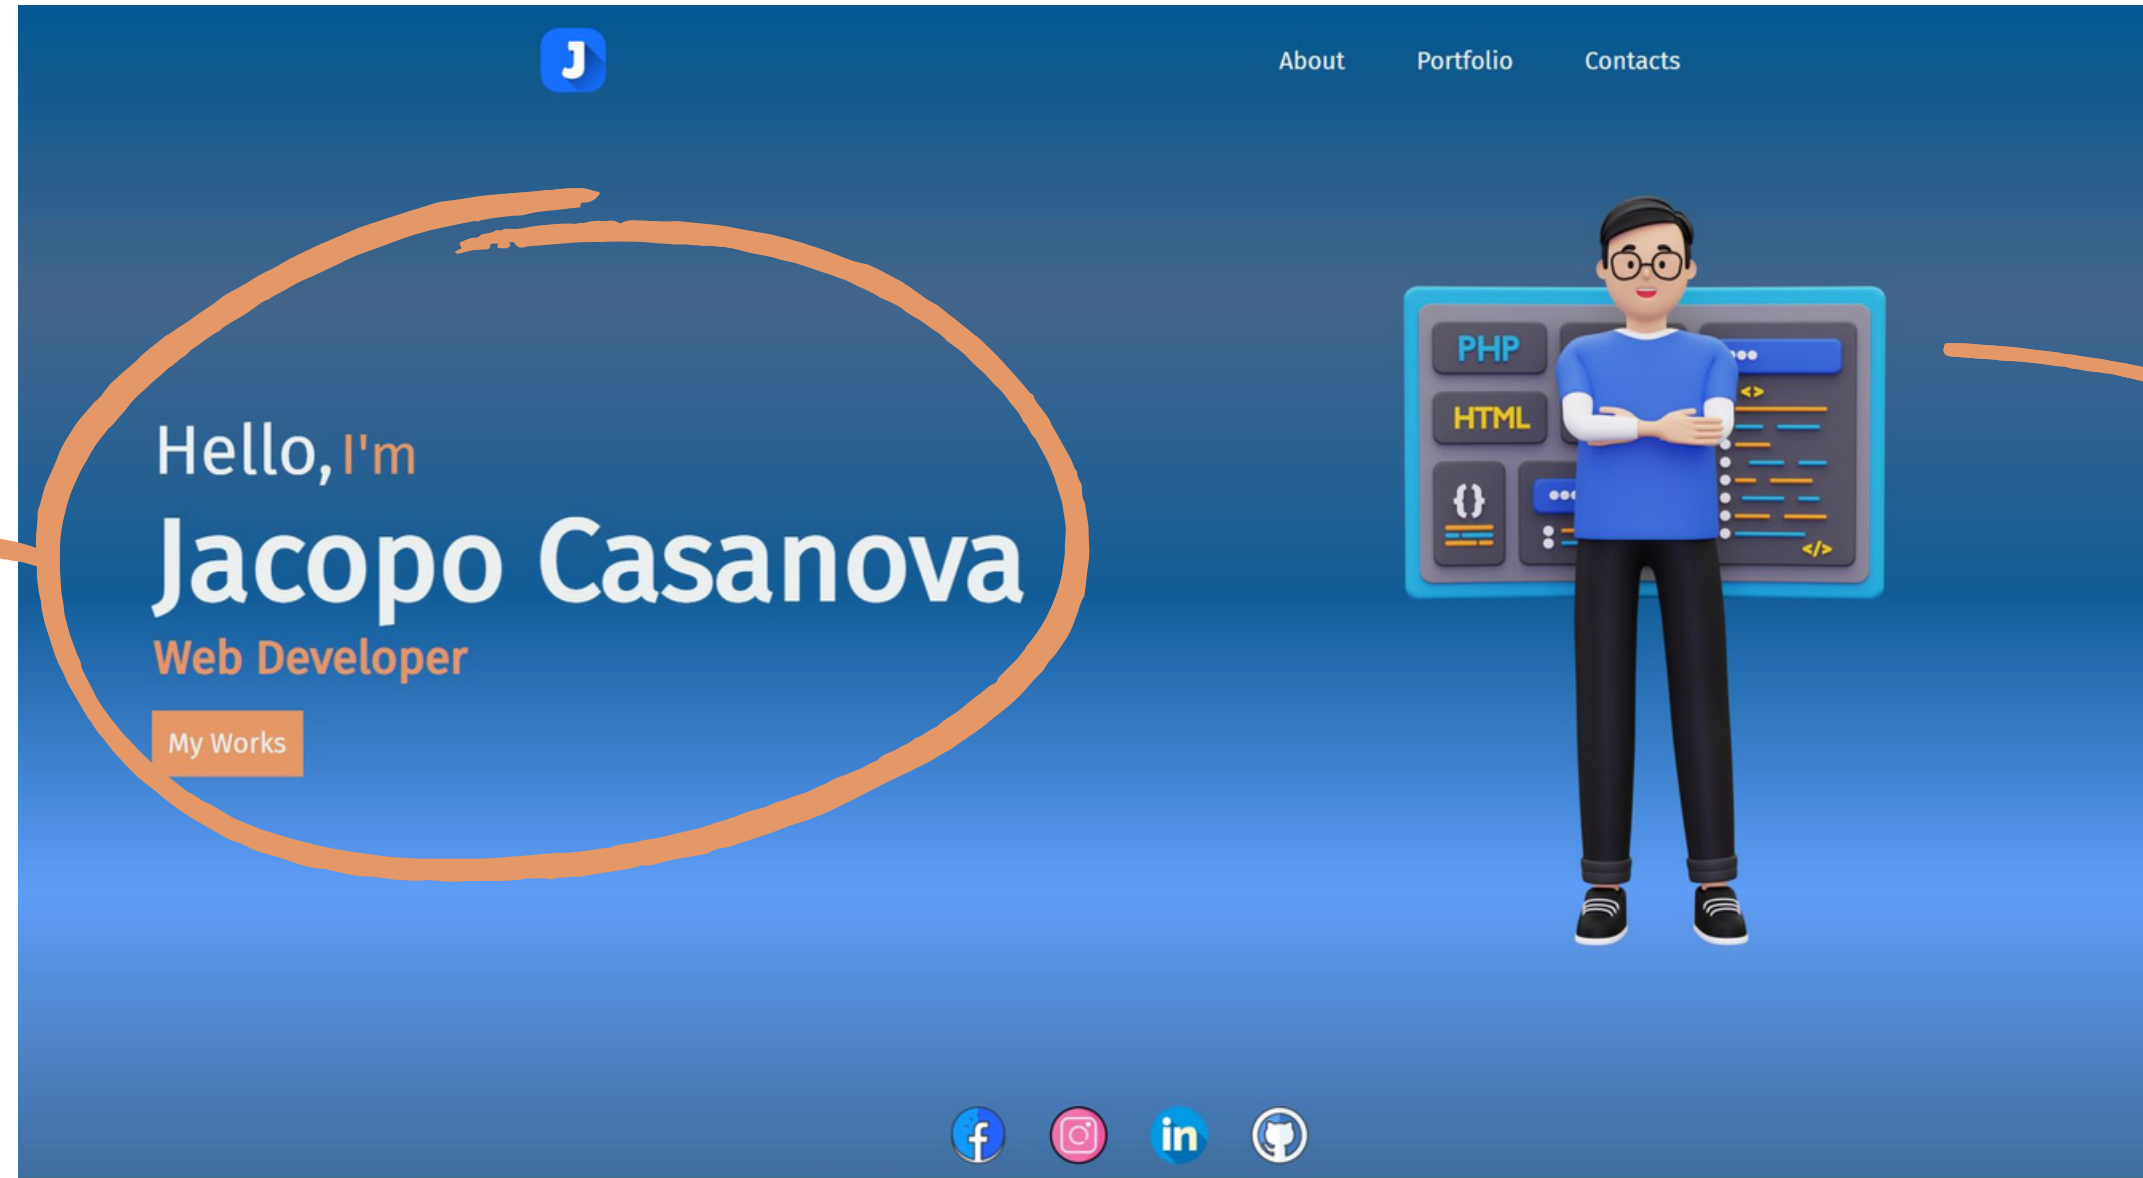

**HOME**

- A little logo

- A practice navbar

Most important infos

A 3D image

- I liked this style for my website
- I'd like to create some personal 3d images with AI to decorate my future website

- To allow visitors to instantly have the most important informations about me

- A practice footer with some links to my social pages

**ABOUT**

Other informations about me

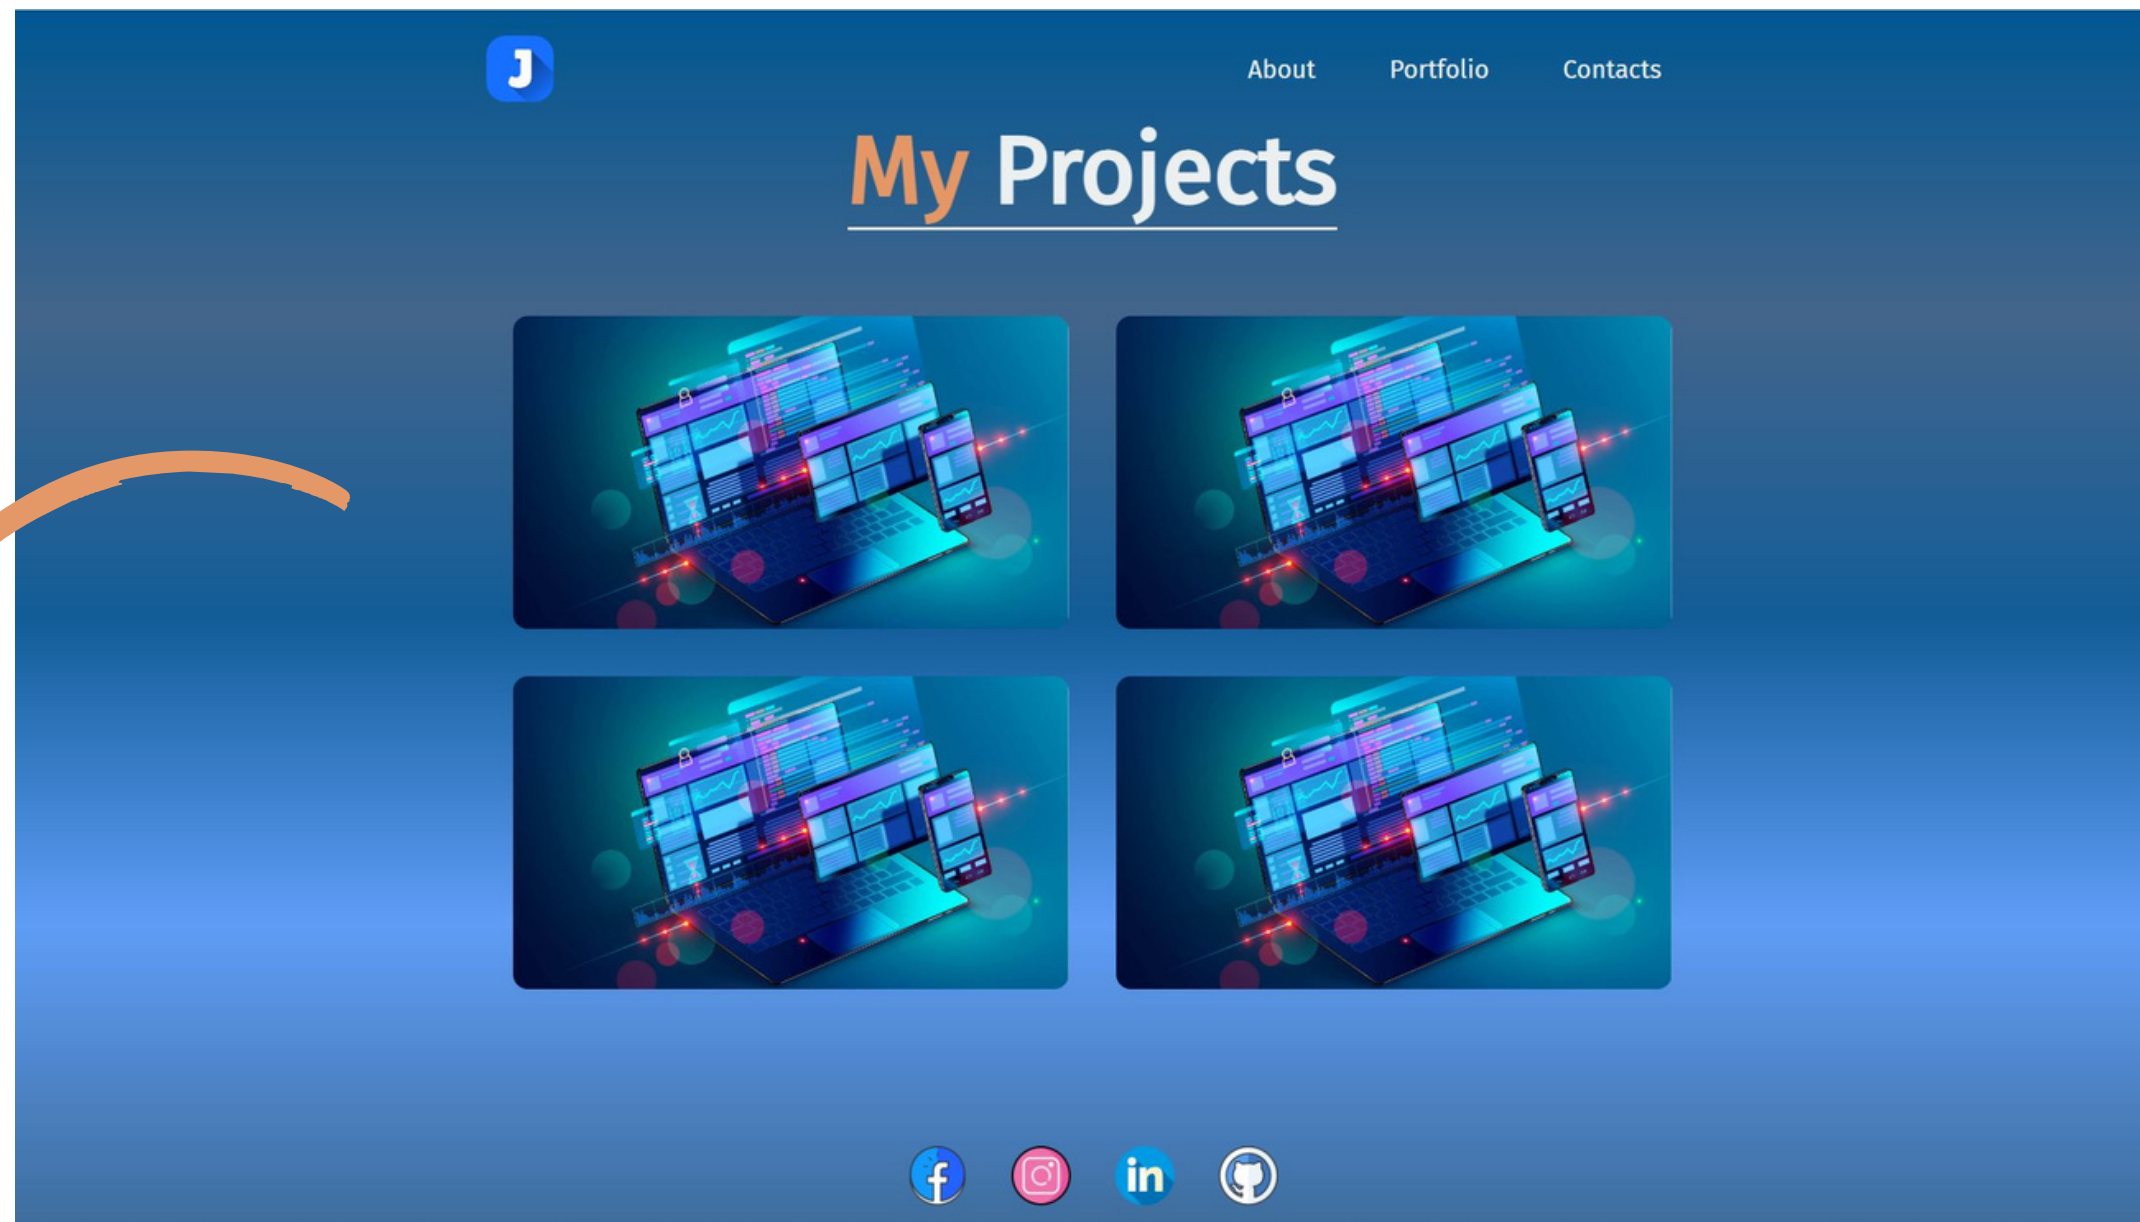

- my skills and my passions

A 3D image

- it mantains the same 3D illustrated style

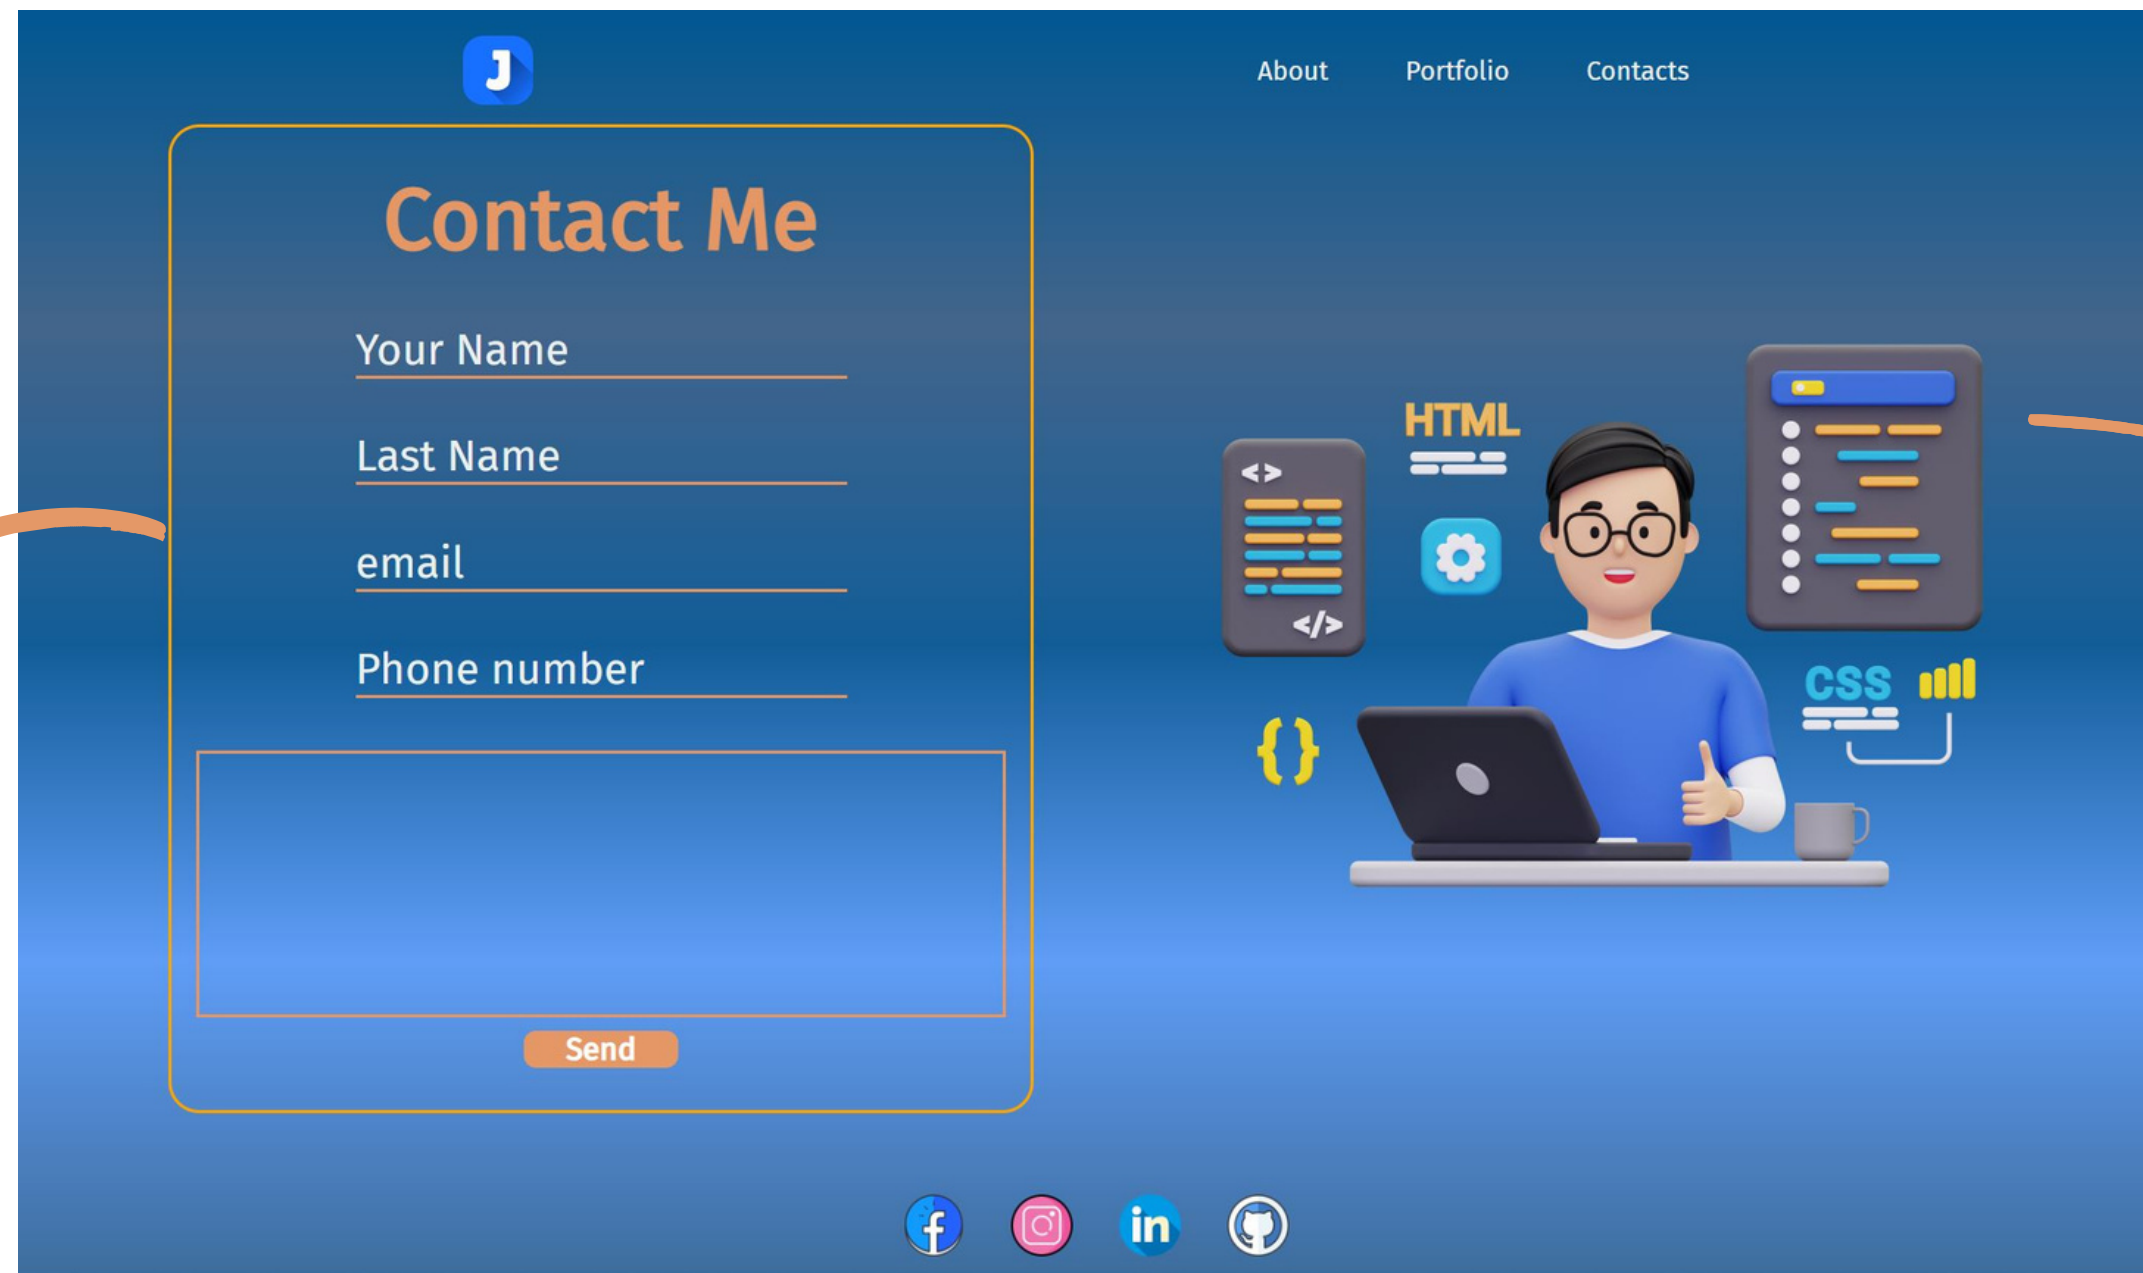

# PORTFOLIO

- My projects
- with temporary images

# CONTACTS

A practice form

- It allows users to contact me easily

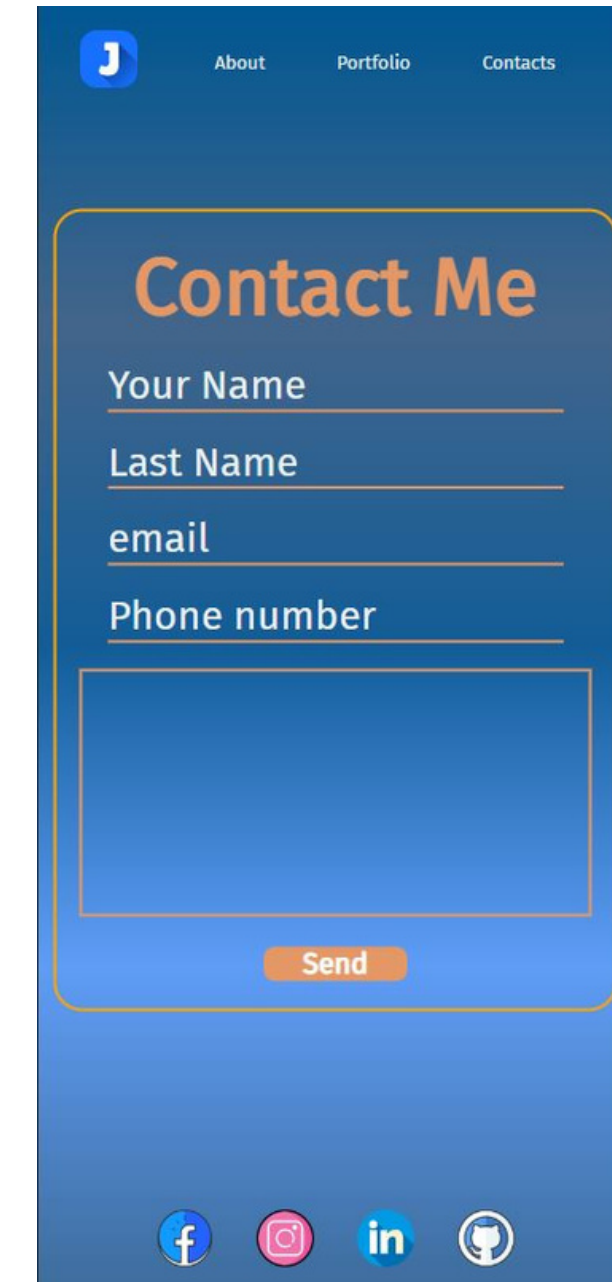

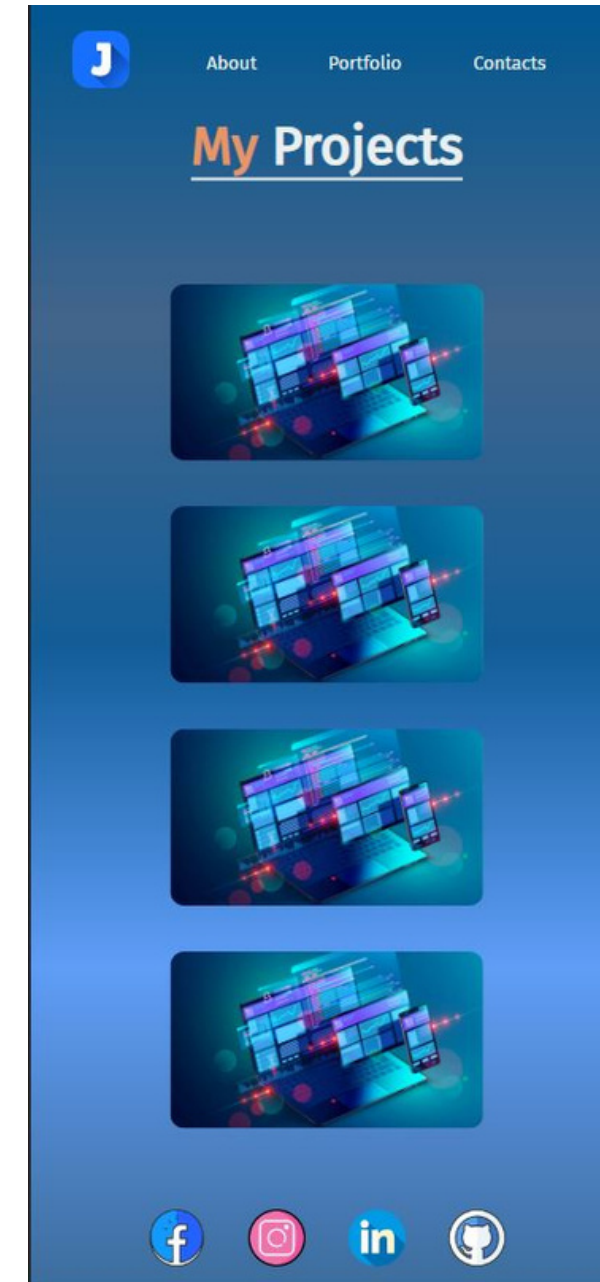

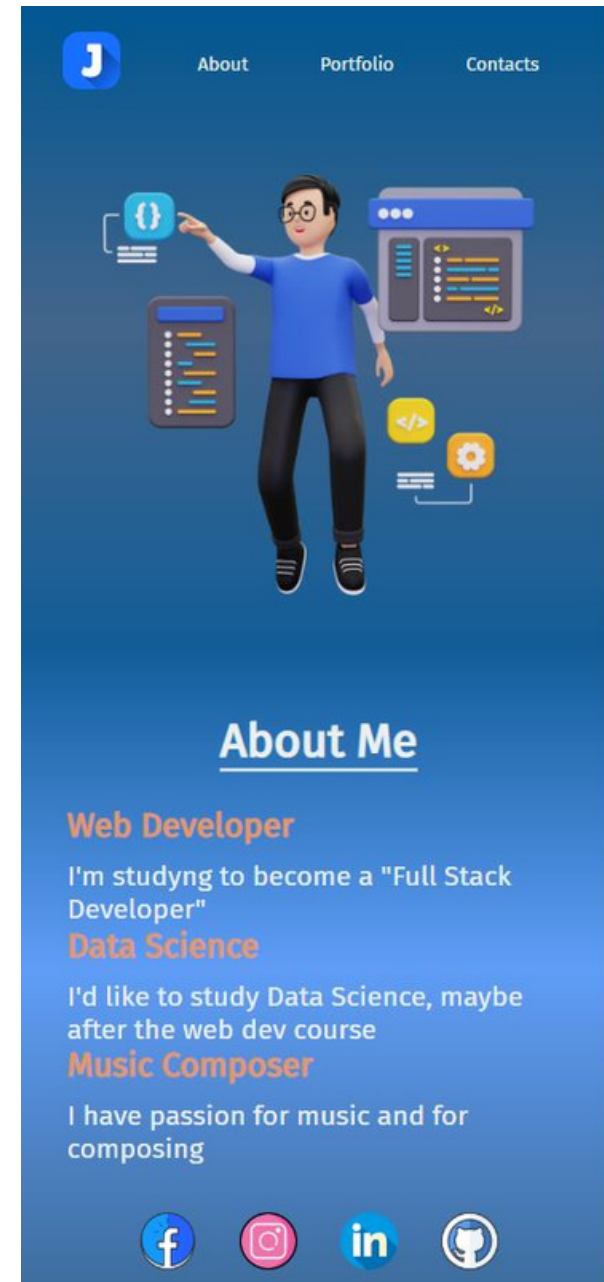

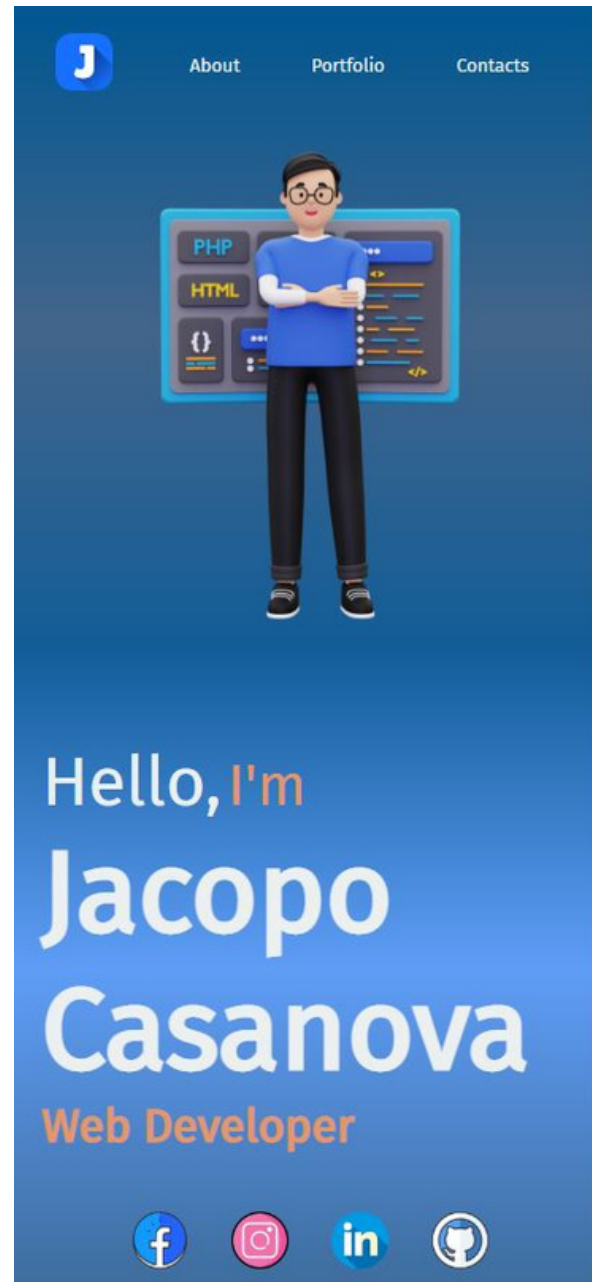

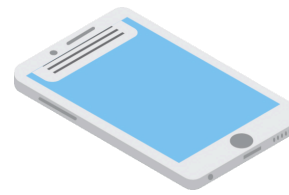

A 3D image

- it maintains the same 3D illustrated style
